Confirmation of Registration (COR) Part-time

Instructions for Schools

Completing Section 5 of the Part-time Application

Schools are required to fill out Section 5 of the part-time application form. This form is available in the Applications and Forms section of the Alberta Student Aid website.

By providing the course and program information on Section 5 of this form, you are initially confirming the student’s part-time program, dates and costs so their part-time application can be processed accurately.

Helpful Hints for Completing Section 5

Expected Percentage of a Full Course Load

To receive part-time funding, the student must be enrolled in 20 to 49% of a full course load. If the student is enrolled in a full-course load of at least 60% or more, a full-time application must be used instead of the part-time application.

List Course(s) for Current Study Period

When a student changes one or more of their courses after the part-time application is submitted, please send a correction to Alberta Student Aid to ensure the most accurate course information is placed on the student’s file.

Confirming Registration for Part-time Students

After a part-time application has been processed, schools can provide confirmation of registration for part-time students by:

- Confirming enrolment using the Electronic Confirmation of Enrolment Portal (federal funding only)
- Completing the Manual COR worksheet for Alberta Part-time Grants (provincial funding only)

Confirming Enrolment using the Electronic Confirmation of Enrolment (ECE) Portal

If a student has been approved to receive any of the following types of federal funds for part-time studies, the educational institution will be required to provide confirmation of enrolment using the Electronic Confirmation of Enrolment (ECE) Portal:

- Part-Time Canada Student Loan (PT-CSL)
- Canada Student Grant for Part-Time Studies (CSG-PT)
- Canada Student Grant for Part-Time Students with Dependents (CSG-PTDEP)
- Canada Student Grant for Students with Disabilities (CSG-D)
- Canada Student Grant for Services and Equipment - Students with Disabilities (CSG-DSE)
An enrolment type (full-time or part-time) is found in the grid view, or you can use the search feature which includes enrolment type as one of the search options.

For more information, or to register for access to the ECE Portal, contact the National Student Loans Service Centre (NSLSC):

- Phone: 1-888-852-2194
- Email: cie-ece@csnpe-nslsc.ca

Note: This process applies only to Canada loans and grants for part-time studies.

Requesting Tuition Remittance for Part-time Canada Loans and Grants

You may use the Electronic Confirmation of Enrolment portal to request tuition remittance from federal funding by indicating the amount of tuition to be remitted.

Tuition will be remitted from grants first, and then loans.

Reporting a Change to Part-time Registration

Canada Part-time Loans

If a student has received a Part-Time Canada Student Loan and ceases to be a part-time student prior to the period of studies end date, you must notify the lenders within 15 calendar days, except in December when notification must be received within seven calendar days.

You can submit notification of the withdrawal through the Electronic Confirmation of Enrolment portal.

Confirmation of Registration for Alberta Part-Time Grants

Once the student has been approved for the Alberta Part-Time Grant, you will need to confirm the student is registered to attend part-time studies in order to have their funding released.

Alberta Student Aid will email the Manual COR Worksheet for Part-Time Grant Funding to the schools.

Step 1

You will need to confirm the student is registered for part-time studies for the session dates listed by indicating ‘Yes’ in the space provided.

If the student is not eligible for part-time funding, confirm as ‘No’ and provide a reason:

- Not Registered
- Never Attended
- Withdrew (provide the date of withdrawal)
- Dropped below 20% of a full course load (provide the date the change occurred)
Step 2

Return the completed Manual COR Worksheet form via email to Alberta Student Aid:

- **AE.COR-AB@gov.ab.ca**

If you have confirmed the student as ‘Yes’, the Alberta Part-Time Grant cheque will be mailed directly to the student's home address.

If you have confirmed the student as ‘No’, the grant funding will be cancelled:

- If the student registers at a later date, the student should reapply for funding on a new application.

Students can email the completed Form B to their institution. All fields in section 1 to be completed by the student are mandatory.

The institution must complete Section 3 Notice of Withdrawal, and forward the form to Alberta Student Aid:
