

This worksheet will help you prepare to complete the online full-time post-secondary application for financial assistance. Refer to the Student Loans & Grants Funding Guide as you complete this worksheet.

Access the Online Application – Available in June 2020

1. Go to the Student Aid website
 - studentaid.alberta.ca
2. Click the blue “Login” button
3. Enter your Username and Password or Create a New Account
 - You may already have a MyAlberta Digital Identify account from other online government services.
 - You only need a basic account to apply for Student Aid.

If this is your first time applying online, you may need to verify your identity by providing **one** of the following:

- Two Alberta high school diploma level official marks
- Alberta Student Aid Agreement number
- Master Student Financial Assistance Agreement number (Canada)
- Loan Certificate Number (from a loan certificate cashed prior to 2013)

If you cannot provide this information, you can still apply online, but you will have limited access to your account until you provide it.

For more information on How to Apply, go to:

- studentaid.alberta.ca

Once you login to your account, you will be able to:

- See the status of your application
- Upload supporting documentation for your application(s)
- View correspondence from Alberta Student Aid electronically

When you are ready to apply online, be prepared by having all the required information on hand. Remember that all \$ amounts must be submitted in Canadian dollars. Being prepared will:

- Help you submit a complete application so Alberta Student Aid does not have to contact you for missing information.
- Ensure you will be assessed for all the loans and grants for which you are eligible from both Alberta Student Aid and the Canada Student Loans Program.
- Result in a faster assessment.

Personal Information section

You will need to provide the following information:

- First and last name, and initial (same as on your picture ID)
- Current address including postal or zip code and street direction, e.g. S, NW, SE, if applicable. If you move notify Alberta Student Aid.
- Mobile number (to receive text messages)
- Another telephone number
- Email address (**mandatory**, so you can receive communications about your funding)
- Social Insurance Number
- Gender and Birthdate
- Maiden Name (if applicable)
- Date you completed or last attended regular high school (excluding high school upgrading)
- Alberta Student Number (go to learnerregistry.ae.alberta.ca)

You will be asked to provide “emergency” contact information. This is the name, address and telephone number of someone Alberta Student Aid can contact in the event we cannot reach you using the information you provided for yourself.

- Total Income from your 2019 Income Tax Return (Line 15000)
- Expected Reduced Yearly Income (enter if income in the current year is expected to be lower than Total Income from Line 15000 above)

The amount entered for Total Income and Expected Reduced Yearly Income affects grant eligibility. If a change to these amounts is submitted after any portion of funding has been paid, grant eligibility will not be reassessed.

You will also answer questions about:

- Your citizenship status
- Your residency in Alberta
- Your marital status
- Any Canada Student Loan funding you may have received from another province (You may not be able to receive further student aid until your loans are up to date.)
- Your Indigenous heritage (Optional)
- Your status as a current or former youth in government care (Optional)

If you are a student with a permanent disability, you need to indicate this on the application and also submit a Schedule 4.

Dependent Children Information section

For the purposes of student funding, “dependent children” means those children who are living with you and for whom you and/or your spouse/partner are legally responsible. You will be asked to provide:

- Your child(s) first and last name
- Your child(s) birthdate
- Your child(s) relationship to you
- Monthly childcare costs for children under 12 years of age \$ _____

Full-time Studies Information section

Make sure you have the following information ready:

- School name and address
- The name of your program **and** your specialization or major
- Your program outcome (e.g. certificate, diploma, degree, Master’s, Doctorate, Journeyman Certificate)
- The year of the program you will be in
- The length of your program
- Your Period of Study Start and End Dates
- Your School Student ID number, if known

You will also be asked:

- If you are enrolled in a correspondence, e-learning, or distance study program
- If you will complete your program of study and receive your post-secondary credential by your end date
- To provide the campus address, if you are attending a private career college

Educational Costs and Available Resources While You Are in School section

Before you go online, keep track of your resources and costs in the chart below. Sometimes you will be asked for monthly amounts; other times for annual or one-time amounts. Make sure you enter the amount asked for so your application is assessed correctly.

Parental Personal and Financial Information - Schedule 1

If you are a dependent student, e.g. you are single and have been out of high school for less than 4 years, and you have not been available for full-time work for 2 or more years since you left high school, you must submit a Schedule 1. If you do not submit a Schedule 1 you will not be eligible for Canada Student Grants.

Part A of Schedule 1 must be completed to determine your provincial residency.

You will be asked:

- If at least one of your parents reside in Alberta.
- Where your parents reside if they do not live in Alberta, and when they moved out of Alberta.

Part B of Schedule 1 is optional to complete. If you want to be considered for Canada student loans and grants and the Alberta Student Grant, you need to complete Part B on your original application but you will need more information about your parents.

You will be asked to provide:

- First and last names of your parents
- The size of your family and number of children attending full-time post-secondary studies
- Total income of your parents from their 2019 Income Tax Returns or expected reduced yearly income if they think their income will be lower in the current year. The amount entered affects grant eligibility. If a change to these amounts is submitted after any portion of funding has been paid, grant eligibility will not be reassessed.

Parent 1 \$ _____ Parent 2 \$ _____

You will also be asked if there is a transit system available from your parents' home to the school you will be attending.

Spouse/Partner Information - Schedule 2

If you are married/common law, you must complete Schedule 2.

You will be asked to complete the following information about your spouse/partner:

- Social Insurance Number
- First and last name
- Birthdate
- Total Income from their 2019 Income Tax Return (Line 15000)
- Expected Reduced Yearly Income (enter if income in the current year is expected to be lower than Total Income from Line 15000 above)

The amount entered for Total Income and Expected Reduced Yearly Income affects grant eligibility. If a change to these amounts is submitted after any portion of funding has been paid, grant eligibility will not be reassessed.

You will also be asked:

- If your spouse/partner has lived in Alberta all their life
- Their sources of income, e.g. Assured Income for the Severely Handicapped (AISH), Canada Pension Plan (CPP) disability benefits, Employment Insurance (EI Benefits), and Alberta Works Income Support Benefits (formerly known as "Social Assistance")
- Their school status, e.g. if they will be a full-time student during the same time that you are a full-time student

Concurrent Enrolment and Exchange/Field Study Programs - Schedule 3

If you are a concurrently enrolled student or if you are an exchange/field study student, you need to complete Schedule 3.

- Concurrent enrolment means you are simultaneously attending more than one school on a part-time basis (less than 60% of a full-time course load at each education institution). You will be asked to provide:
 - The name of your primary school
 - The name(s) of your additional school
- If you are an exchange/field study student, you will be asked to provide the name of your home school (e.g. the school where your tuition costs are paid) and your airfare cost, if applicable.

Federal/Provincial Grant for Post-Secondary Students with Permanent Disabilities - Schedule 4

If you have a documented permanent disability and are attending post-secondary studies, you may be eligible to receive more student aid.

- Talk with a Disability Advisor/Reviewer at your school about your educational goals and what kind of supports may already be in place at your chosen school.

Documentation you must include:

- Proof of your permanent disability
- Copies of a medical letter
- A learning disability assessment or documentation proving you are in receipt of federal and/or provincial disability assistance such as AISH
- An estimate of equipment costs and an assessment fee
