Instruction Sheet for Students

Interest Free Status for a Person on Parental Leave

A student who takes a break from full-time or part-time studies for parental leave may apply for interest free status on their Alberta Student Loan(s). The interest free status begins on the last day of attendance at school and lasts up to a maximum of 12 months from that date.

Important: The interest free status applies only to your Alberta Student Loan(s). You will still be required to make payments on your Canada Student Loan(s) and any other loans issued by another province.

Eligibility Requirements

A person is eligible for interest free status due to parental leave when they cease to be a full-time or part-time student in order to give birth to, care for or support a child who is a new addition to the family by reason of one of the Qualifying Events, and intend to return to full-time or part-time studies. The Qualifying Event must have happened within 12 months of when you ceased to be a full-time or part-time student.
